Here Are 13 of Our Favorite Gallery Shows From Coast to Coast That You Can Visit Virtually

Gallery hop at any time of day with these virtual shows from Los Angeles to New York.

artnet Gallery Network, March 24, 2020

Art galleries provide necessary spaces for creative discovery and connection—experiences we all may be seeking in our current existences. Luckily, many galleries across the country can still be visited virtually, and at your work-from-home leisure through [Artnet Galleries](#).

If you're in need of an art break, here are 13 of our favorite exhibitions, from New York to California, that you can gallery hop through your laptop.
