EXPERIENCE

Member of Peregrine Press, a print co-operative in Portland Maine since 2004. Co-President 2016-2018.

Over 20 years working in publishing and graphic design.

3 day Gelli Printmaking workshop teacher, *Opportunities for Spontaneity, Play and Imagination*. Kopavogur Art Association, Iceland Sept 2019.

Professional artists with little or no printmaking experience made their own permanent gelatin plates while learning a variety of printing techniques. Incorporating their own drawing and painting skills into the process of mark making, students looked at pattern, texture, value, color and layering as a means of developing more complex imagery. Working beyond their comfort zone students opened up a visual dialogue challenging the boundaries of their regular studio practice.
